TENNIS - RULES OF THE GAME

The goal is to have fun, but to avoid blasphemy, divorces, and fisticuffs, a few rules are necessary.

1. Entry fee is \$25 per person; players should be 18 yrs+; Costumes are strongly encouraged – prizes will be awarded!
2. Each team plays 55 minutes, as many games as possible in that time.
3. Players may only play one round, though substitutions are OK in the event of unexpected dropout. Out of courtesy, women have the choice of first serve.
4. Time will be announced by cow bell. Five minute warmup.
5. No practice serves; first in will apply.
6. At completion of match, winning team reports score to scorekeeper. Exit quickly so others can play. Please stay and watch/cheer for others and contribute to the men or women to win (prizes for most money raised)
7. Good sportsmanship will apply...within reasonable limits of course.
8. **Tennis victory** will go to the side (men vs women) that has won the most games over the three hour period.
9. **Tennis Mulligans:** At start of play, each team may buy up to 2 games at \$10/each – payable to monitors at courtside.
10. In event of double fault, additional serves may be purchased for \$5/each; payable courtside.
11. Have fun – and join us at 5:00pm at the Coyote Grill for presentation of winners, silent auction and raffle winners. Sean will have special meal prices for us.

MANY THANKS FOR PARTICIPATING!
